

#GroundHogDay Tournament

Our 6 a side tournament will run from **3pm**, with the final pushing back at **6.30pm**. Unlike previous club day tournaments, your team will be arranged by you.

This is a great opportunity to showcase our club to those who might be interested in taking up the sport. In view of the club's intention to introduce a new men's 5th team and a new ladies' 3rd team, we thought this would be the perfect opportunity to offer members a chance to select their own teams which can be made up of; club members, former teammates, friends, family, neighbours, or that person you met on Rochester High Street last week...

The following rules will apply to the tournament:

1. At all times during a game, a minimum of 2 ladies will be required
2. No more than 2 men of regional hockey standard (i.e. Kent/Sussex division) or above should be on the pitch at any one time
3. Each team must have at least one player who has either not played competitive hockey for at least 2 seasons or has never played hockey before

Teams not complying with the above are more than welcome but will be subject to "level playing field" penalty points.

If you don't have the full quota to make up a team, please just list those you have recruited and we will provide "wild card" players. Alternatively, if you would just like to register to play as a "wild card player", we will arrange a team for you.

Cost: £15 for adults; £10 for unemployed / students /over 16/OAPs, and, as usual, those 16 or under will play for **FREE!**

All teams will be entitled to a party pack which includes team shirts, drinks, and entry to our live band and evening entertainment.

If you would like to take part in our mixed 6-aside tournament (all abilities welcome) or volunteer to help with the day; please register your interest by emailing JEP at our event address OWHC.GroundHogDay@gmail.com

NB: Applications for team entry must be received **no later than 25 August**. Places will be allocated on a first come-first serve basis, so please register your interest now to avoid disappointment. "
